

You appear to be trying to access this PDF from a site other than <http://heroicrelics.org>.

This usually happens when some site has scanned my site for content, put up a page with a bunch of ads, and then provided you with a direct link to one of my PDFs; i.e., they're stealing my bandwidth so that they can make money.

That's pretty sleazy.

All of my PDFs may be accessible via <http://heroicrelics.org/resources.html>. Please visit to access this PDF and see what else my site has to offer!
