FILE NO. ORDAB-DUY	SUBJECT Infringement Claim - Mrs. Esther C. Goddard		
TO Dir, S & M Lab heroicrelics.org	FROM ORDAB-DUY	DATE 1 Jul 57 EKingJr/rp/4325	COMMENT NO. 1

1. The Office of the Judge Advocate General, Department of the Army, has expressed a desire to dispose of the subject claim at the earliest possible date. Accordingly, copies of the patents in question have been furnished this Agency for review for determination as to whether this Agency has infringed the subject patents in connection with the mission of your Laboratory in developing the Redstone and Jupiter Missiles.

2. It is requested that Specialists in your Laboratory review each attached patent to determine whether or not infringement has occurred, and in the event that procurement and/or use has been made which is considered to infringe the subject patents that this office be provided with the names of contractors, contract number, and dates thereof, quantities of such infringing items, and pertinent drawings, sketches, etc, as well as, a complete written analysis which should describe how the claims of the patents are infringed.

3. This office realizes the tremendous work load presently carried by your Laboratory, and this determination should not in any way deter from your present work load, but should be handled when convenient for your personnel.
